ANTONELLA & LUKE AT CARAMOOR

I was day dreaming today about the fact that we have, not one, but TWO weddings at Caramoor this year! It is such an amazing picture perfect venue that I was dreaming about the photos. Then I realized we didn't have Antonella & Luke's wedding up on our site yet! [<http://justaboutmarriedny.com>] Well, I had to remedy that situation. Feast your eyes on the photos of this amazing Caramoor event by Thompson Photography Group.

The lovely bride gets ready along with family and friends at home. The light in the home is just perfect and these photos are as sunny and cheerful as the lovely bride! Make sure you peep those AMAZING shoes!

The bride and groom met on the grounds prior to the event to take photographs. Antonella arrived in style! Love the classic car against all of those trees. Amazing setting for portraits!

Upon arriving on site, guests were greeted by these adorable signs guiding their way to the proper location. Later, they were provided with flip flops to give their high heeled feet a rest!

Didn't I tell you that this ceremony site was stunning?! Truly one of a kind!

After the ceremony, guests enjoyed a

wonderful cocktail hour with tasty treats by GREAT PERFORMANCES. In keeping with the garden theme, the escort cards were placed on small topiaries for guests.

A simple and clean white color theme looked magical inside the tent for the reception!

Amazing day for an amazing couple! Thanks to all of our vendors for their wonderful work!
